

## Freshers Day - 2025

The Fresher's '25 celebration, organized by the Student Council, Fine Arts Club, and 2nd Year BASLP, was held on November 27, 2025 at 3 PM in the Annapoorani Auditorium (MPH). Around 60 freshers were warmly welcomed by their seniors under a creative house-theme — Ravencores, Slytherine, and Gryffindor. The auditorium was lively with décor, music and interaction as juniors introduced themselves, easing into their first student gathering of the year. The event featured enthusiastic cultural performances, including dance, singing and stage activities by both seniors and juniors, supported by friendly cheering and applause.

Interactive games, ice-breakers, and a talent walk encouraged participation, confidence and bonding among the new students. Highlights of the evening included the crowning of Mr. Fresher, Ms. Fresher, Best Performer, and Best Personality, which added excitement and recognition. Group photographs were taken to capture memories of laughter, energy, and togetherness. The event concluded with refreshments and a vote of thanks, leaving freshers with joy and a sense of belonging. Fresher's '25 successfully strengthened the connection between students and marked a warm start to the new academic year at SRBS.
