

Workshop on “Mastering Research Methodology”

The School of Rehabilitation and Behavioural Sciences (SRBS), Vinayaka Mission’s Puducherry Campus, organized a one-day workshop titled “Research Unlocked: Mastering Research Methodology” on 08 December 2025 at Annapoorani MPH Hall. The program was organized under the leadership of Dr. Arun Banik, Director, SRBS, with Dr. Prajna Bhat as Convener and Ms. Lakshmi Priya S. M. as Organizing Secretary.

The workshop featured expert sessions by Dr. Priya M. B. and Dr. Mahesh B. V. M., Assistant Professors, Department of Speech-Language Pathology. Key topics included research question formulation, study design and sampling, single-subject methodology, academic writing and APA 7 referencing, manuscript preparation, and the role of AI in scientific writing.

The interactive sessions were well received by faculty members and students, enhancing their understanding of systematic research practices and academic writing skills. The workshop concluded successfully, reinforcing the importance of methodological rigor and innovation in research.
