The Department of Speech-Language Pathology, School of Rehabilitation and Behavioral Sciences (SRBS), organized a guest lecture on **“Linguistics Interaction with Speech-Language Pathology”** on **21st May 2026** at **Annapoorani MPH Hall** from **10:00 AM to 12:30 PM**. The programme aimed to provide students and faculty members with insights into the interdisciplinary relationship between linguistics and speech-language pathology.

The session commenced with a warm welcome address delivered by Dr. Arun Banik, Director, School of Rehabilitation and Behavioral Sciences (SRBS), who welcomed the esteemed resource person, faculty members, and students. He highlighted the importance of understanding linguistic principles in enhancing assessment and intervention practices in speech-language pathology. The gathering was then addressed by Prof. N. D. Rajan, Advisor, SRBS, who emphasized the significance of integrating linguistics with speech-language pathology to strengthen clinical practice, research, and academic understanding in communication sciences.

The guest lecture was delivered by Dr. Swathi C. S., Senior Assistant Professor, Osmania University. The session offered valuable insights into the interaction between linguistics and speech-language pathology. The lecture was informative, interactive, and enriched participants' understanding of the interdisciplinary connections within the field. The programme witnessed active participation from faculty members and undergraduate students of the Department of Speech-Language Pathology. The event concluded with a vote of thanks, expressing sincere gratitude to the guest speaker for sharing her expertise and to all dignitaries and participants for contributing to the success of the programme.
