

Workshop on Evidence-Based Speech–Language Intervention:

School Based Practice

Date: 29.06.2024

Venue: Seminar hall, Hospital Block, AVMC, Puducherry

Workshop on Evidence-Based Speech-Language Intervention: School-based practice was conducted on 29.06.2023 by the School of Rehabilitation and Behavioral Sciences.

Co-ordinators: Ms. Lakshmipriya S M, Assistant Professor, Department of Speech Language Pathology, SRBS.

The program was inaugurated by welcoming the guest speakers, faculties, and Students by Ms. Lakshmipriya S M and the event's Welcome address was delivered by Dr. Arun Banik. The guest speakers were introduced by Dr. K. Rajalakshmi, Professor.

The program consisted of three sessions. In the first session, Ms. Neha Tiwari spoke about the roadmap for service delivery for speech-language pathologists in schools. The next session was led by Dr. Gowri Arakere, who discussed the comparison of school-based interventions in India and the US. The last session, again led by Ms. Neha Tiwari, focused on the assessment and intervention of phonological awareness in children.
